Hello Parents and Kids!

I'm going to take a wild guess that this note finds you home and possibly in your PJs! LOL! Maybe your living room has been converted into a sheet fort or you are working on a challenging puzzle or rebuilding the same Lego set for the 15th time! You might also be calling your mom and/or dad "teacher" and trying to explain Common Core to them!! Well, whatever you are doing during this stay-at-home season, I hope it includes continuing to hide God's Word in your heart! I sure miss seeing you at Sunday school and Awana! I've started working on Vacation Bible School (Knights of North Castle theme) and Big G Summer Camp (Shipmates theme) and am doing some spring cleaning at Skyline. I'm also excited for the toddlers to see all the fun new equipment being set up in their Sunday school room.

AWANA-

Guess what kids? You can do "homeschool" Awana! Parents can help you memorize your verses and sign off sections in your book. **REMEMBER..... only 2 "helps" when reciting a verse (including the reference).**

Once you have completed a section, parents can text or email

Heather Flammang (for Sparks) heatherflammang@gmail.com text 503-508-5972

Miss Loy (for Cubbies & T&T) loy@sbcnb.org text 360-607-0022

Be sure to include:

Child's *FIRST AND LAST NAME *GRADE *CURRENT BOOK NAME *and SECTION COMPLETED

Parents, remember to sign and date completed sections in the child's book and we will mark their record sheets and track awards.

PLEASE NOTE T&T: If you are working on the big book in T&T, please text pictures of pages completed and REMEMBER, you only get two helps on the review verses in the last section of a unit and must quote them in a row from start to finish. If you are doing the small book and would like to work on Silvers, let me know and I will mail them to you. Make sure to send a picture of any Silvers completed.

We will do **Awards** when we are all able to get together again and hopefully we can have **Awana Store** at the same time. We will keep track of Awana awards and Awana bucks you earn between now and then. If we are unable to do Store, you will be allowed to keep your bucks for the first store of next year.

SUNDAY SCHOOL-

Skyline supports CEF (Child Evangelism Fellowship) and they are uploading weekly videos to their YouTube channel, U-Nite. There will be a Bible lesson, memory verse, missionary story and songs. These are the lessons we normally do live with Hillcrest kids at our weekly Good News Club at Skyline. This is a great resource for a home Sunday school class or throughout the week and is appropriate for elementary age.

Go to: <https://www.youtube.com/channel/UC86gzOaVywYkXyoVwsT7zqw/videos>

I will be posting a weekly class and songs for **preschool/kinder Sunday school** on my own YouTube channel and will post the link on Saturday at www.sbcnb.org. (Keep an eye out for other posts as well)

Keeping you in my prayers, with joy,

Miss Loy
