

Skyline Baptist Church

June 9, 2020,

Dear Skyline Church Family,

In light of the Governor's moving Coos County to Phase Two of the Coronavirus restrictions, the pastors and elders have decided to hold in-person services beginning June 14, 2020. Our services, as normal, will be at 9:00am and 10:30am.

Here are some guidelines to consider ...

- ♦ We are committed to sanitizing the church before, in-between, and after the worship services, and we will have hand sanitizer available for all to use.
- ♦ We are encouraging those who are sick, those who have compromised immune systems or are at high risk for getting sick, and those who are uneasy about attending church, to stay home and listen to our services online (sbcnb.org/media). Also, our previous Sunday service is aired on the radio each and every Sunday at 11:00am on 98.7 K-light (lighthouseaudio.com).
- ♦ We will not be holding any children, youth or adult Sunday school classes, or Children's Church as long as the six-foot social distancing order is in effect. Children are encouraged to sit with their family.
- ♦ We urge those who want to wear masks to feel free to do so, but will not be requiring masks to be worn.
- ♦ We will not be passing the offering bags. Instead, we will be utilizing the existing offering boxes in the back of the sanctuary.

Our services will be uploaded to our church website each Sunday by 1:00pm (sbcnb.org/media). Again, be sure to know that our previous Sunday service is aired each and every Sunday at 11:00am on K-light (lighthouseaudio.com).

For specific information and updates see our church website ([Coronavirus Response](#)).

Together in and for Christ,

Pastor David
