Awana

Cubbies
Ages 3-5

Sparks
Grades k-2

T&T
Grades 3-5

Awana start up will look different this fall but will continue to be a wonderful way to help children hide God's Word in their hearts. After families are settled into their school routines, we will start up "Awana at Home" (sometime late October). Of course, Sparks are welcome to continue in their current book even before Awana officially starts. In addition, weekly large group lessons for each group (Cubbies, Sparks, T&T) will be posted to Skyline's Children's Ministry YouTube channel. Volunteers will be at Skyline for an hour each Wednesday night to listen to verses. Parents also have the option to video their child saying verses. We will keep the Awana store open & kids can shop with last year's Awana bucks as well. Registration, supply order forms, and schedules available soon.
